

# PEPTISYNTHA

OFFERING THE CUSTOMER A TRUE PARTNERSHIP AND A HIGH QUALITY PRODUCT AT A COMPETITIVE PRICE HAS BEEN THE COMPANY'S MISSION FOR MORE THAN TEN YEARS NOW.

PEPTISYNTHA's core activity lies in synthesis of large volume customer owned peptides :

- GENUINE PEPTIDES
- PEPTIDOMIMETICS
- SYNTHETIC PEPTIDE BASED VACCINES

On request, PEPTISYNTHA is also able to manufacture

- GENERIC PEPTIDES

PEPTISYNTHA takes advantage of an outstanding group of researchers in many disciplines and possesses a vast experience with industrial HPLC at all scales.

With a QA/QC staff of about 15 people, PEPTISYNTHA is able to guarantee GMP production, testing and documentation standards in accordance with the strictest FDA and EMEA requirements.

PEPTISYNTHA, was founded in 1987 and is a wholly owned subsidiary of SOLVAY, an international group, based in Brussels, Belgium, active in 50 countries, with more than 30,000 employees worldwide and sales reaching near EUR 7.9 billion in 2002.

PEPTISYNTHA is located in Brussels on the premises of SOLVAY's main research center, giving an open access to the technical and scientific support of its large analytical departments : HPLC, FAB-MS, ICP-MS, ion-chromatography, chiral analysis and multi-nuclear NMR spectroscopy
